

TASK GLOVES

13 GAUGE

NITRILE
REINFORCEMENT

- /// Seamless knit high-density polyethylene (HDPE) fiber shell, glass fiber, and stainless steel
- /// Double dipped sandy nitrile palm coating
- /// Thermoplastic Rubber (TPR) overlays on back of hand and fingers for impact protection
- /// Nitrile reinforcement between thumb and forefinger
- /// Superior grip in wet and oily applications
- /// Excellent cut resistance and dexterity

TECHNICAL DATA

Material	HDPE, Glass Fiber, Stainless Steel, Nitrile, and TPR
Coating	Nitrile
Knit Gauge	13 Gauge
Size	S-2XL
Packing	1 Dozen per Package, 6 Dozen per Case
COO	China

ITEM NO.

RD1019-S
RD1019-M
RD1019-L
RD1019-XL
RD1019-2XL

SPECIFICATION SHEET RD1019

Engineered HDPE Shell,
Double Dipped Sandy Nitrile Palm
with TPR Overlays

APPLICATIONS

Demolition

Oil & Gas

Material Handling

Mining

Construction & Maintenance

Automotive

PERFORMANCE DATA

CUT PUNCTURE

ANSI / ISEA 138
